

Fuel more growth

Step on the gas with up to \$2M in additional funding built for eCommerce businesses to accelerate growth.

Now is your time

With customers taking to online shopping in unprecedented numbers there's never been a better time to be an eCommerceer.

Whether your business has just become your main source of income or you're already well on your way to scaling a multimillion-pound venture, at some point significant financing becomes critical for fueling further growth.

That's where TradeBridge comes in. We provide **up to \$2M** in additional funding to help you accelerate growth and build a serious business that will make people sit up and take notice.

Fast track your business growth

eCommerce moves at lightspeed. With access to a significant level of funding you have the fuel you need to seize the new business opportunities you see:

- ✔ Buy more stock lines
- ✔ Build your own branded range of goods
- ✔ Increase ad spend to acquire more customers
- ✔ Drive the best prices from your suppliers with better payment terms

Funding built for eCommerce

Say goodbye to loans from faceless providers. Instead, say hello to whole business-based funding. With TradeBridge you have:

- ✔ Meaningful levels of funding
- ✔ Freedom to decide how you invest funds
- ✔ The ability to speed up or slow down payments
- ✔ Financing that grows as you grow

By using real-time trading data and other information we understand the true strength of your business. That lets us provide higher levels of funding and with better rates where others simply cannot.

More than a 'button click'

Financing your business is too important to trust to an online application and 'chatbot'.

At TradeBridge you'll be collaborating with real people whose only goal is to understand the levels and types of financing that will work best for your business.
